Sir:

I am writing to formally request the issuance of my **practicum certificate** for the successful completion of my practicum requirements at the College of Teacher Education. I had my practice teaching at Aparri School of Arts and Trades from January – March 2015. I have completed all the necessary field experiences and academic obligations prescribed by the program.

The certificate is vital for my professional development and future employment opportunities, and I would greatly appreciate your assistance in facilitating its release at your earliest convenience.

Please let me know if there are any additional documents or steps required from my side to process this request.

Thank you very much for your time and consideration.

Sincerely,

ANNA LIZETTE DE LA CRUZ ABINAN, PhD
